ACROSS CULTURES:

INTERCULTURAL COMMUNICATION IN A BORDERLESS WORLD

“Limba noastră” Linguistic Centre
of the Cross-border Faculty,
“Dunarea de Jos” University of Galati

The international conference *ACROSS CULTURES – Intercultural Communication in a Borderless World* is dedicated to multiculturalism, multilingualism, translation, but also to teaching socio-humanities and foreign languages in the context of the redefinition of both real and virtual communication in this period profoundly affected by the restrictions imposed by the Coronavirus pandemic.

Aside from the obvious disadvantages of this “virtual living”, this unfortunate situation has, perhaps, a slightly positive aspect, in that it cancels the physical borders and simplifies long-distance communication. This is why the organisers invite the potential participants to present, in Romanian, English or French, their viewpoints on intercultural communication and its mediation by the computer and by broadcasting applications. Without limiting the participants’ possibilities to a finite number of topics, our scientific undertaking aims to facilitate a *dialogue across cultures*, from linguistic, pragmatic, literary, but also sociological and pedagogical perspectives.

The event will take place on **December 4, 2020**, from 10:00 to 16:00, on Microsoft Teams. Prospective convenors are kindly invited to submit a title and a 200-word abstract to **daniela.lupascu@ugal.ro** by **November 25, 2020**.

A selection of the papers presented during this event will be published in the journal *ACROSS – A Comprehensive Review of Societal Studies*, indexed in MLA, DOAJ and Index Copernicus. The final papers will be sent as editable documents to oana.gheorghiu@ugal.ro by **January 31, 2021**, abiding by the formatting and referencing instructions available in the *Submissions* section of the journal website, <http://across-journal.com>.
